One (1) full point wins the match! Any hand, elbow or kicking technique that makes contact to the opponent and stuns the opponent momentarily or causes the opponent's hand or any part of their body to touch the floor, will be scored ½ point.

A leg sweep that causes the opponent to fall to the mat must be immediately followed up with a well-focused non-contact punch or kick and will be awarded ½ point. If an opponent is unable to continue within the standard 5-second count administered by the head referee and corner judges, the contest will be declared a knockout with the winner receiving 1 point and the match. If no points are scored during the match, the judges may award the match to an opponent based on "spirit" or technical excellence that is demonstrated by one of the competitors. A competitor who has scored at least ½ point at the end of the match may be declared the winner.

Judging

The judging staff will consist of a head Referee and four (4) corner judges located in the fighting area.
